

# PHILOSOPHY MAINS TEST SERIES 2019

Must say, a subject which brought about not only great fortunes in my career but also a new born attitude to the entire life. Without any background in the subject, **I managed to score 319 marks in Philosophy which played the most vital role in achieving my dream of becoming an IAS officer.** I would like to dedicate this huge success fully to Mahesh Sir who mentored me throughout the entire journey of Civil Service Examination.
