On an analysis of interview main list of KAS stream I,II&III it is understood that it is a mini UPSC list(almost all of them are/were UPSC aspirants) and many of the even attended UPSC CSE interview-2020, like Malini S AIR 153. Hence it can be concluded that all stages of the KAS examination are comparable to UPSC civil services examination. The syllabus of KAS (except for Kerala topics) is comparable to UPSC civil service examination. From this we can conclude that an aspirant should prepare KAS in UPSC standards.

ENLITE IAS conducted KAS Prelims test series which was very much appreciated by the aspirants. After the preliminary results we conducted KAS Mains crash course and KAS Mains test series, both of the courses proved beneficial for the aspirants. The KAS Mains results was a delight to ENLITE IAS as one-fourth of interview main list qualified aspirants got guidance for KAS at ENLITE. Team ENLITE has conducted mock interview sessions for aspirants from all three streams in which aspirants who previously attended KAS courses at ENLITE and from outside attended the mock sessions. We are glad to hear from aspirants that the sessions helped them perform better in the KPSC KAS interview.
