## COURSE FEATURES

- Starts on 1st June 2026 with Orientation Session
- 16 Tests including full Paper
- Detailed answer key and discussion after each Paper
- Individual timebound feedback for each Paper
- Indepth analysis of Previous Year Questions
- 29 Last Lap Sessions
- Top up Sessions for all Papers
- Mains Current affairs Updation Sessions

## COURSE PLAN

STEP- I	Orientation	In short sessions, the faculty will brief about the basic sources and how to make use of them. Also you will be given a five day plan before every test.
STEP- II	Last Lap - Daily writing + PYQ analysis	The whole syllabus of the paper will be divided into five parts with daily study targets. These targets will be put to test through daily writing sessions in the evening. After writing there will be brief discussions and detailed answer keys for these questions. We will try our best to get these answers checked within 24 hours.
STEP- III	Weekly tests	Following the last lap sessions there will be a 3-hour weekly test for that particular paper.
STEP- IV	Discussion and Answer Keys	Within 3 days after finishing the test you will be provided with a precise discussion as well as answer key. Candidates should definitely evaluate their shortcomings on the basis of discussion and the answer keys.
STEP- V	One to one feedback	After a compulsory self evaluation, the faculty will interact with the candidate to ensure whether he/she is making use of the best of the test series.
